

ABOUT VSY INC (IN THE NAME OF CHRIST)

Two local youth group leaders became friends and decided to have joint activities with their youth groups. They realized that some of their students knew each other but didn't know they attended different youth groups. This sparked the question: "How can we bring more youth groups together so our kids could meet more Christian kids in their schools and communities?"

This led to the formation of White Mountain Youth INC (In the Name of Christ).

In 2020 WMY INC became affiliated with Agape Youth Ministry (AYM) and became part of its Community Youth Group Programs. AYM sponsors events so that the students in the White Mountain area get to know other Christian students in the area.
