## AYM's STUDENT LEADERSHIP PROGRAMS

### FELLOWSHIP-KNOWLEDGE-GO!

**"therefore, go and make disciples of all nations"**

**Matthew 28:18-20**

- Knowledge! The **Student Leadership Programs** are the foundation of *Agape Youth Ministry* and its Community Youth Groups' mission to develop future Christian Leaders. The programs develop a strong Biblical-base for the student to go out into the work place, school, or ministry.
- Knowledge! The **Dig Deeper Bible School (DDBS)** develops a strong Biblically-based knowledge during its 4 semesters, 16-week classes.
- Knowledge! The DDBS **Faith in Action** program promotes a desire by the student to witness, serve, and minister in their local community.
- Knowledge! The **Student Leadership University Weekend Conferences** develop strong Christian Leadership skills.
- GO! Taking this knowledge, the student then learns how to use these skills through the **Teen Missions International** program, **Faith in Action** program and the **Internship Program**.
- GO! The **Teen Missions International** Program involves 6-8 weeks consisting of a 2-week "Boot Camp" followed by a mission either in-country or out of country.
- GO! **Agape Youth Ministry's Faith in Action** program takes the students into the community to share the gospel.
- GO! *Agape Youth Ministry* helps to place these students who want to use this knowledge in internship programs, in youth groups, or in youth ministries.

## WHITE MOUNTAIN YOUTH INC

BRINGING YOUTH TOGETHER IN THE NAME OF CHRIST

### HISTORY

Two local youth group leaders became friends and decided to have joint activities with their youth groups. Realizing that some of the kids knew kids in the other youth group, but did not realize those kids attended youth groups resulted in discussions leading to a desire to figure out how to bring more youth groups together so the youth could meet more Christian youth in their schools and community. This endeavor led to the formation of White Mountain Youth INC. Then in 2018, WMY INC affiliated with Agape Youth Ministry (AYM) and became part of its Community Youth Group Programs.

### MISSION

Our Mission at White Mountain Youth INC is to be true followers of Christ and to execute the will of God as it relates to the youth of His church and develop future Christian leaders. We will execute this with prayer and obedience and by the direction of the Holy Spirit and the Word of God.

### RESOURCE

White Mountain Youth is a network of Youth groups in the Arizona White Mountain area. WMY INC and Agape Youth Ministry's programs provide added resources to church youth groups and youth ministries.
